# CWS-CARES 1.0 Release

- ▶ First available to a small group of Core County/Constituent users who have been working with the Intake and CALS Digital Services, beginning September 19, 2018.
- ▶ Available to all statewide users gradually over a period of time in Fall 2018

## What's included in CARES 1.0?

- 1. Identity Management** – the solution that enables login access to CWS-CARES
  - Enforces authentication (are you who you say you are?) and authorization (what are you entitled to do?)
  - Provides a user administration portal to manage user access to CWS-CARES
- 2. Child Welfare History Snapshot** – a read-only view of case and referral history for clients in CWS/CMS
  - Allows child welfare staff to search for clients and view their relationships, demographic information, and child welfare history (dates of referrals/cases, allegations, and dispositions)
  - Provides the ability to copy and paste the history into other documents, such as investigative narratives
- 3. Facility Search and Profile** – a read-only view of children's residential facilities and county-approved homes based on data from CWS/CMS, the Licensing Information System (LIS), and the Field Automation System (FAS)
  - Allows authorized users to search for and view pending and approved children's residential licensed facilities and county-approved homes, along with contact information and the responsible licensing or approval worker
  - Reflects the number of beds, complaint history, and children currently associated to the facility or home

CWDS Implementation Team will support state, counties, and tribes to prepare for this CARES 1.0 release. Specific dates and information are forthcoming. **If you have any questions, please email the [CWDSImplementation@osi.ca.gov](mailto:CWDSImplementation@osi.ca.gov).**
