NA

Dependencies/Impediments/Risk

- Access to Cognito Sandbox
-
-

Sprint Review – Sprint 19.4A

Sprint Goals/Demo

- Lock out/Unlock functionality
- Moving data to Postgres
- Multi-factor authentication work

Team Predictability – last 3 sprints
Currently 118%, team is in transition

Team Improvements

Actions	Outcome
Need more people to demo during review	3 new faces did the demo for the last 3 sprints
To many people involved in team meetings	Teams A and M have split their ceremonies and backlog refinement sessions

Tracking

Epic	Orig. Pts. Est.	Total Est. Pts.	Done Pts	% Complete
Change Log - County Admin/Office Admin View	97	97	72	74%
User Data to Postgres	47	47	27	57%
Lockout/Unlock	30	30	19	63%

Dependencies/Impediments/Risk

- Vacations and Illness reduced velocity
- Team reforming after splitting A and M, losing a developer and reducing tester availability
